O R D E R:

In the circumstances reported by the VC&MD, GCC, Visakhapatnam in reference 2nd read above, Government after careful examination of the subject matter hereby issue amendment to the 6(b)(vi)of G.O.Ms.No.33, TW(TSP) Dept., dated:03-06-2015 as extracted below:

AMENDMENT

6(b)(vi)- "For the first time, intervene through a public entity, namely GCC, to provide marketing support for the coffee produced in this region. Currently, GCC purchases the minor forest produces from the tribal's and markets the same, with or without further processing and retains the profits. GCC is pooling the coffee of the tribal growers and undertake the processing and arrange for its disposal through auctions. The cost of providing these services by GCC is to be met from the marketing subsidy available from coffee board. In the very unlikely event of this subsidy falling short of the requirement, the gap can be met through the TSP and the State funds. GCC will purchase raw coffee varieties viz., Coffee Fruit, Arabica Parchment, Arabica Cherry and Robusta Cherry by paying prevailing market price for current year as decided by the APEX Committee to the Tribal Coffee Farmers. The payment shall be made in single installment. GCC to undertake disposal of Raw Coffee or Processed and Value added Coffee through e-auctions/GCC RMD sales for the best advantage and if any loss sustained the same shall be met from the working capital funds of the coffee project available with GCC and if any profit is gained, the same will be appropriated to working capital under Coffee Project. However, the current years excess / short in purchase amount shall be adjusted by GCC in the following years purchase amount, so

(P.T.O)

that the procurement shall be self sustaining without any support from the Government".

2. The VC&MD, GCC is informed that the above proposed amendment is agreed in Government with a condition that the permission is accorded for the F.Y. 2021-22 only on a trial basis. The VCMD, GCC shall furnish a detailed report on the results to the Government for consideration of further continuation of the amended payment methodology in F.Y.2022-23.
